

## Press Release

### Six 9s Selected to Conduct Annual Customer Satisfaction Assessment in Japanese

**Scottsdale, Arizona, May 1, 2006** – For the second year in a row, MontaVista Software, Inc. has selected Six 9s Associates, Inc., a full-service, customer research firm, to design and conduct MontaVista Software's annual customer satisfaction assessment. MontaVista Software's worldwide customers in Asia Pacific, Europe, and North America will be invited to participate.

For MontaVista Software's customers in Japan, Six 9s will conduct the survey in Japanese and translate the open-ended question responses from Japanese back into English for integration into the final research results and analysis.

#### **About MontaVista Software, Inc.**

MontaVista is the leading embedded Linux provider for the telecommunications, mobile, and embedded markets. MontaVista delivers a complete, flexible and open operating system, which allows designers to innovate across a wide range of mobile and wireless devices and communications infrastructures. Headquartered in Santa Clara, Calif., MontaVista has operations in 15 countries.
